

Title Associate Teacher

City Greenville

State SC

Description Infant, Toddler, Twos and Preschool Teachers  
NEW Bright Horizons Family Solutions ECE Center Opening August 1, 2011  
Now Accepting Applications

Channel your love for children and the joy of guiding a child through moments of discovery into an exciting career as an associate teacher at Bright Horizons.

Join our team of early education professionals and help create high-quality, developmentally appropriate programs for children. Embark on a new professional journey in an environment that values your contributions and provides you the resources you need to grow your career.

Build strong relationships with children, parents, and colleagues while also enjoying the many unique aspects of teaching in work-site child care centers.

Stepping into an associate teaching position at Bright Horizons, under the guidance of a teacher you will:

- Interact frequently, affectionately, and respectfully with children.
- Provide a variety of developmentally appropriate materials and activities for children.
- Respond to parent/guardian comments and concerns with sensitivity, interest, and respect.
- Assist in arrangement of space into clearly defined, well organized activity areas.
- Become very familiar with ages and stages of development for those children under your care.
- Follow all safety and health rules while supervising all children at all times.
- Demonstrate awareness of the entire group whether working with a small group or individuals.
- Continue professional growth by attending courses, asking for feedback, and reading professional literature.
- Keep the environment and equipment safe, clean and attractive.
- Participate actively in the teaching team through communication, collaboration and curriculum planning.

Requirements High School Diploma/GED required  
CDA preferred  
Must be 18 years of age or if allowed in the state, may at minimum be 16 years of age if participating in a supervised work study program  
Must meet State requirements for education and additional center/school requirements may apply
