Embark on a new journey in the highly-rewarding career of a professional early childhood teacher in an environment that values your contributions and gives you the resources you need to implement high-quality, developmentally appropriate programs. Create joy in a child's life by teaching through play and hands-on activities while implementing Bright Horizons' own emergent *World at Their Fingertips* curriculum, which helps foster children's social, emotional, physical, and cognitive development.

Stepping into a teaching position at Bright Horizons, you will:

- Interact frequently, affectionately, and respectfully with children.
- Engage and communicate with individual children during the activities and routines.
- Implement a developmentally appropriate curriculum which reflects observations and goals of individual children.
- Facilitate regular parent/guardian communication and conferences to discuss orientation, transitions, and developmental goals.
- Follow all safety and health rules while supervising all children at all times.
- Demonstrate awareness of the entire group whether working with a small group or individuals.
- Keep the environment and equipment safe, clean and attractive.
- Support organizational mission, philosophies, values, goals, and policies to parent/guardians and coworkers.
- Offer and share ideas and materials with coworkers.
- Participate actively in the teaching team through communication, collaboration, and curriculum planning.
